Dear Allan;

Thank you for supporting the 51st Annual Christmas Daddies Telethon!

It takes a community to help a child. In 51 years Christmas Daddies has helped hundreds of thousands of children across the Maritimes to have a happy and joyous Christmas. We couldn't do this without you.

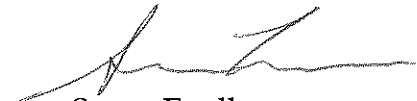

The 51st year of the Christmas Daddies Telethon is a milestone of generosity and giving; a true representation of Maritime community spirit. On behalf of the Christmas Daddies Committee, the staff of CTV, our many volunteers and The Salvation Army - our partner in the distribution of toys and gifts; please accept our gratitude. We would like to express our sincere thanks and appreciation for your participation and support!

Thank you for being a Christmas Daddies Holiday Hero.☺

Kindest regards,

Roxanne Robinson  
Executive Director Christmas Daddies
